

**WELCOME TO THE 41ST. SADE
COURSE IN ADVANCED ENDOSCOPY FOR
PHYSICIANS AND ENDOSCOPY ASSISTANTS**

ENDOSCOPIC INTERVENTION IN THE GI-TRACT

ORGANIZING COMMITTEE:

Camilla Euphrosyne Leidcker, Pernille Christine Pedersen, Stine Dam Henriksen,
Hanne Grossjohann, Mie Dilling Kjær, Rune Erichsen, Srdan Novovic,
Mustafa Bulut, John Gásdal Karstensen and Stig Borbjerg Laursen

IN COPENHAGEN FROM 16TH - 17TH JANUARY 2025
HANDS ON WITH THE INDUSTRY 15TH JANUARY 2025

PROUDLY BY YOUR SIDE

ENHANCING SKILLS WITH INNOVATIVE TRAINING SOLUTIONS

FUJIFILM Healthcare Europe provides training solutions for endoscopy professionals across Europe to enhance their skills and improve patient outcomes.

Available exclusively in Europe through FUJIFILM Healthcare Europe, **mikoto** is a state-of-the-art portable endoscopy simulator designed to improve colonoscopy skills through self-learning. The mikoto colonoscopy training simulator is also compatible with **CAD EYE**. AI-based **CAD EYE** supports physicians with real-time detection and characterisation of colonic lesions.

41TH SADE COURSE 2025 COPENHAGEN 16 TH - 17TH JANUARY

PROGRAM: ENDOSCOPIC INTERVENTION IN THE GI-TRACT

Thursday, Jan 16th, 2025

		Speaker	Chair
8.00-8.30	Registration		
8.30-8.40	Welcome	Henrik Thorlacius (Malmø)	
Endoscopic management of biliary stones and chronic pancreatitis – What is the current evidence?			
8.40-9.10	State of the art lecture: Management of challenging stones	George Webster (London)	Lars Aabakken Srdan Novovic
9.10-9.30	One-step approach in biliary stone treatment	Daniel Mønsted Shabanzadeh, (Copenhagen)	Lars Aabakken Srdan Novovic
9.30-9.50	Pancreatic stones – spy or ESWL?	Leena Kylänpää (Helsinki)	Lars Aabakken Srdan Novovic
9.50-10.10	PSC surveillance and endoscopic management	Lars Aabakken (Oslo)	Lars Aabakken Srdan Novovic
10.10-10.40 Coffee break and quiz in the exhibition area			
Prerecorded Videos – Upper GI tract			
10.40-11:05	ERCP	George Webster (London)	Stine D. Henriksen Stig B. Laursen
11:05-11:30	WON	Srdan Novovic (Copenhagen)	Stine D. Henriksen Stig B. Laursen
11:30-12:00	Upper GI – missed lesion	Evelien Dekker (Amsterdam)	Stine D. Henriksen Stig B. Laursen
12.00-13.15 Lunch and quiz in the exhibition area			
Treatment of colorectal neoplasias – polypectomy, EMR, ESD, FTRD – when and how?			
13.15-13.45	Treatment of polyps at index colonoscopy	Rune Erichsen (Randers)	Mustafa Bulut Mie Dilling Kjær
13.45-14.25	Advanced lesions – endoscopic decision making and treatment	Evelien Dekker (Amsterdam)	Mustafa Bulut Mie Dilling Kjær
14.25-14.45	Teamwork in endoscopic interventions	Rune Erichsen / Hanne Hvam (Randers)	Mustafa Bulut Mie Dilling Kjær
14.45-15.15 Coffee and quiz in the exhibition area			
Upper GI interventions			
15.15-15.45	Barrett’s esophagus – anything new?	Peter Elbe (Stockholm)	Christian Rushfeldt Hanne Grossjohann
15.45-16.10	Stomach - still room for EMR or just ESD/EFTR	Masami Omae (Karolinska)	Christian Rushfeldt Hanne Grossjohann

HANDS-ON PROGRAM - 15. January, 13:00-17:00 at Crown Plaza Copenhagen Towers

FUJIFILM:

- Endoscopy on upper and lower GI Mikoto endoscopy simulators (2 sessions)

Cook Medical:

- ERCP-training model
- Clips placement

Olympus:

- ERCP training on phantom - Sphincterotomy, litotripsi, stent placement, biliary dilation
- SutuArt - endoscopic hand suture device

Augere Medical:

- Real-time Artificial Intelligence for detection of polyps during colonoscopy (2 sessions)

Ambu:

- Upper GI-hemostasis: phantom-based training in treatment with injection therapy and hemoclips
- ERCP rendezvous: phantom-based training

Duomed:

- Endoscopic Treatment of gastro-intestin

Boston Scientific:

- ERCP
- Tissue management

MEET US AT
BOOTH 8+9

OLYMPUS

Advancing the Dimensions of Endosonography

Twice the Expertise, Twice the Confidence for You and Your Patients.

At the 41st SADE meeting, Olympus is excited to introduce their latest partnership with Canon Medical, marking a new era in endoscopic ultrasound (EUS) with the launch of the Aplio i800 EUS processor.

The Aplio i800 EUS is advanced, fully customizable solution offers exceptional image quality, enhancing both penetration and resolution, enabling more precise and complex clinical assessments. This makes the Aplio i800 an indispensable tool for healthcare professionals aiming to deliver the highest standard of care.

[> Experience the Aplio i800 at booth 8+9](#)

		Speaker	Chair
16.10-16.40	Duodenum – non-ampullary lesions	Evelien Dekker (Amsterdam)	Christian Rushfeldt Hanne Grossjohann
16.40-17.00	Ampullary lesions	Urban Arnelo (Umeå)	Christian Rushfeldt Hanne Grossjohann
17-18	SATTELITSYMPIOSIUM FUJI-FILM	DBE-interventions in the small bowel Dr. Koch (Rotterdam)	

19.30 DINNER

Friday, Jan 17th, 2025

Endoscopic treatment of malignant stenosis in the GI-tract: esophagus, gastric outlet obstruction, biliary and colon

8.30-9.00	State of the art lecture: EUS-guided transluminal drainage	Rogier Voermans, (Amsterdam)	Srdan Novovic Hanne Grossjohann
9.00-9.20	Esophageal stenting	Fredrik Klevebro	Srdan Novovic Hanne Grossjohann
9.20-9.40	EUS-GJ vs duodenal stenting – is there any difference?	Khanh Do-Cong Pham (Bergen)	Srdan Novovic Hanne Grossjohann
9.40-10.00	Stent strategy in Klatskin tumors	Marianne Udd (Helsinki)	Srdan Novovic Hanne Grossjohann
10.00-10.20	Colon stent – still a bridge to surgery?	Søren Meisner (Copenhagen)	Srdan Novovic Hanne Grossjohann

10.20-10.50 Coffee and quiz in the exhibition area

Prerecorded Videos – Lower GI tract

10.50-11.10	ESD complication (perforation)	Henrik Thorlacius (Malmø)	Rune Erichsen Mustafa Bulut
11.10-11.30	Decision making for advanced colorectal lesion	Mustafa Bulut (Køge)	Rune Erichsen Mustafa Bulut
11.30-12.00	Endoscopic resection with bleeding	Anders Høgh (Svendborg)	Rune Erichsen Mustafa Bulut

12.00-13.00 Lunch and quiz in the exhibition area

Upper GI bleeding – Management of severe bleeding and lessons learned

13.00-13.40	State of the art lecture: What did we learn from the UK audit on upper GI-bleeding?	Adrian J Stanley (Glasgow)	Christian Rushfeldt Stig B Laursen
13.40-14.10	New devices in upper GI-bleeding	Stig B Laursen (Odense)	Christian Rushfeldt Stig B Laursen
14.10-14.25	Prizes (SADE Quiz)		
14.25-14.40	Wrap-up and goodbye		

ORGANIZING COMMITTEE:

Camilla Euphrosyne Leidcker, Pernille Christine Pedersen, Stine Dam Henriksen, Hanne Grossjohann, Mie Dilling Kjær, Rune Erichsen, Srdan Novovic, Mustafa Bulut, John Gásdal Karstensen and Stig Borbjerg Laursen

Ambu

EASY FLOW IN THE OR
ONE PLATFORM COVERING

- Duodenoscope

SADE COPENHAGEN PARALLEL ASSISTANT PROGRAM FRIDAY 17TH JANUARY 2025

Thursday, Jan 16th, 2025

	Lecture	Speaker	Chair
8.30-9.00	The UK experience of the Nurse Colonoscopist	v/Leigh Donnelly, Clinical endoscopist, Phd. Endoscopy Educaon and Development Lead, (UK)	Camilla Leidcker (DK) Pernille Pedersen (DK)
9.00-9.20	Patient-Reported Experience Measures (PREMs) for Colonoscopy	Annica Rosvall, RN, MSc (S)	
9.20-9.40	Healthcare personnel's experience of colonoscopy team training	Knut Eyvind Hofseth, RN, MSc, Oslo University Hospital (N)	
9.40-10.00	The Nurse Endoscopist – Breaking the boundaries of the tradition endoscopy role	v/Leigh Donnelly, Endoscopy Education and Development Lead, Northumbria Healthcare Trust, (UK)	Camilla Leidcker (DK) Pernille Pedersen (DK)
10.00-10.20	Nurse Endoscopist Advanced – EMR & ESD treatment	Nurse endoscopists Mona Nuppenau (DK) Regionhospitalet Gødstrup, Denmark & Jan-Erik Karlsson, Norrlands University hospital (S)	Camilla Leidcker (DK) Pernille Pedersen (DK)
10.20-10.50 Coffee and quiz in the exhibition area			
10.50-11.20	Anti-reflux mucosal ablation (ARMA) treatment of patients with GERD	Niels Johansen MD Katrine Meier RN, Sygehus Lillebælt, Kolding (DK)	Camilla Leidcker (DK) Mona Nuppenau (DK)
11.20-11.40	Nurse endoscopist – Gastroesophageal reflux disease (GERD)	Pernille Pedersen, RN, Nurse & Niels Johansen Sygehus Lillebælt, Kolding (DK)	
11.40-12.00	Nurse administered Remimazolam sedation (NARS) - ERCP and EUS	Stine Dam Henriksen, MD, Phd & Gry Finnerup Hilding Andersen, RN, Ålborg University Hospital (DK)	
12.00-13.00 Lunch and quiz in the exhibition area			
Research endoscopy nurse – career opportunities			
13.00-13.45	Just do it! How to begin your research career as an endoscopy nurse	Leigh Donnelly, Clinical endoscopist, Phd. (UK) Annica Rosvall, RN, MSc (S)	Camilla Leidcker (DK) Stine Dam Henriksen (DK)
13.45-14.00	Panel discussion Establishing an endoscopy interdisciplinary research group - Across borders?	Leigh Donnelly, Clinical endoscopist, Phd. (UK) Annica Rosvall, RN, MSc (S)	Mona Nuppenau (DK)
